

We Put Safety First.

Now is the time to ensure that your gas fireplaces meet the industry's Safety Screen Specifications for guest safety, before it's too late.

Call now to save to receive this special VRI pricing!

15% off

any order of our popular Fireplace Safety Screen.

Since 1999 more than 2000 children below age 5 were injured from gas fireplaces. So chances are your current gas fireplace(s) are not fitted to meet Marriott's new gas fireplace safety screen specifications.

FireplaceSafetyScreen.com offers both an industry and Marriott approved, affordable, and easy-to-install safety screen for the hospitality industry. Best of all you don't have to sacrifice aesthetics for safety! *Don't be the last in your industry to meet these new and approved specifications!*

Contact us today to learn more about our safety screen program!
